

CHALLENGER BASEBALL SPONSORSHIP

There is a little boy with developmental disabilities who has always wanted to hit it out of the park like his favorite player. There is a young woman who always wanted to challenge herself at the plate and laugh with friends on a warm summer night. Challenger Baseball, the largest special needs league in the country, makes these dreams come true. This year, we're hoping you will bring your magic wand to our league so we can continue to grow and welcome the largest free gathering of special needs players in the country.

Syracuse Challenger Baseball is the largest league in the nation with over 283 players. In 2016, we launched four new adult teams thanks to local sponsors. Players ages 15 to 65 were on the fields, some for the first time in their lives and some returning to our league after an absence of many years.

Without your sponsorship, we couldn't do the work we do for the special needs community. Your donation goes towards purchasing uniforms, trophies and a free banquet at the end of the year for all players. So many families spend their precious resources on daily care for their players and do not have the means to pay for sports or community recreation. But once they become a part of Challenger Baseball, they realize that we are more than just a baseball league. Friendships are made, families bond and learn from each other and players take great pride knowing they can make a difference by supporting other players.

DONATION:

\$1000 – Per Year - Three-year commitment

BENEFITS

Your company name, logo and link to your website and Facebook page on our:

Website: 5000+ page views

Facebook: 1238 Likes
